

FOR IMMEDIATE RELEASE

"[E]nergetic...Leonard's fresh, cinematic cartooning has fun with the story's flights of fancy."
— *Publishers Weekly* review of *Once Upon a Weasel*

WORLD OF THE WEASEL – BOOK TWO

World of the Weasel presents picture books about a young boy and his pet weasel who injects excitement into the boy's quiet life and helps stimulate his imagination.

**WILD
WILD
WEASEL**

Written by Salvo Lavis
& James Munn

Illustrated by Dave Leonard

The weasel and boy are back!

Space travel was a breeze compared to their latest challenge: obedience school. But can a weasel be trained? Find out what happens when wild animals go to school, just like kids. **WILD WILD WEASEL** is a follow up to the highly successful *Once Upon a Weasel* and the second book in the World of the Weasel series.

Weasel Rules: (*according to boy's parents*)

1. Weasel stays in the bedroom.
2. Weasel stays in his cage when you are gone.
3. No playing with the weasel until homework is done.

WILD WILD WEASEL features a touching, entertaining story with lovable characters... as much fun for adults reading it aloud as for kids who are following along!

Salvo Lavis is a writer and producer who has worked in digital, video, print, and radio. He's from Houston and lives in Los Angeles, California.

James Munn is a freelance writer, film historian, and former editor at *Architectural Digest*. James grew up in rural Nebraska and currently lives in Hollywood, California.

Dave Leonard is an artist who splits his time with drawing, animating, designing, painting, cooking, and riding his bike on the beach. You can find Dave arting in Santa Monica, California.

Spitball Studio was founded in 2016 by Salvo Lavis and James Munn. Their current project is World of the Weasel, a series of children's books. The first book in the series, *Once Upon a Weasel*, debuted in hardcover in 2016. *Wild Wild Weasel* releases June 15, 2018. Filled with rich illustrations for younger kids and great vocabulary words for budding readers, our books are ideal for kids 4-10 and the adults who read with them.
